About Thakur Education Group (TEG)

Thakur Education Group (TEG), Mumbai is a premier educational group committed to deliver quality education. The Group continuously adds to the national intellectual wealth by training generations that exude our rich culture, human values, discipline, social responsibilities and national pride. TEG has constantly created assets that our society will always be proud of and cherish for a long time to come. Today, TEG comprises of three Trusts, 23 educational institutes on 8 spacious campuses with state-of-the-art infrastructure, accommodating over 50,000 students and over 4500 employees.

INSTITUTES MANAGED BY THAKUR EDUCATION GROUP (TEG)

- tvm — Thakur Vidya Mandir High School & Junior College (1990)
- tcsc — Thakur College of Science & Commerce (1992)
- tpoly — Thakur Polytechnic (1998)
- tcet — Thakur College of Engineering and Technology (2001)
- imscdr — Thakur Institute of Management Studies, C D and R (2001)
- tica — Thakur Institute of Career Advancement (2001)
- timsr — Thakur Institute of Management Studies & Research (2002)
- tps — Thakur Public School (2003)
- ttaaa — Thakur Toonskool Advanced Animation Academy (2005)
- tiat — Thakur Institute of Aviation Technology (2006)
- tscer — Thakur Shyamnarayan College of Education and Research (2007)
- tis — Thakur International School (2008)
- tsge — Thakur School of Global Education (2008)
- tshs — Thakur Shyamnarayan High School (English Medium) (2013)
- tsap — Thakur School of Architecture & Planning (2014)
- tvmgs — Thakur Vidya Mandir Global School (Azamgarh, U.P.) (2014)
- tsdc — Thakur Shyamnarayan Degree College (2016)
- trcac — Thakur Ramnarayan College of Arts & Commerce (2017)
- trcl — Thakur Ramnarayan College of Law (2018)
- tgbs — Thakur Global Business School (2020)
- tihm — Thakur Institute of Hotel Management (2020)
- trps — Thakur Ramnarayan Public School (2021)
- tspdc — Thakur Specialized Degree College (2023)

About Thakur College of Engineering and Technology (TCET)

Thakur College of Engineering & Technology (TCET) is an autonomous and linguistic minority Institute. It was established in AY 2001-02 with a clear objective of providing quality technical education in tune with international standards and contemporary global requirements. TCET offers 12 U.G., 3 P.G., and 3 Ph.D. (Tech.) programmes. TCET is an ISO 9001:2015 certified and certification has helped Institute to develop a student centric process driven system required for quality education in the 21st century. As a result, Institute is accredited by NAAC with an "A" grade and all eligible programmes are accredited by NBA for three years. Some of the programmes are accredited multiple times. Moreover, all programmes are permanently affiliated with the University of Mumbai. TCET is the recipient of reputed IMC - Ramkrishna Bajaj National Quality Commendation Certification 2012 (Education) followed by IMC - Ramkrishna Bajaj National Quality Award 2015 (Education). In July 2016, TCET has been selected for Asia Pacific Quality Award (APQA) for the best in the class award in the education category from Global Pacific Quality Award (GPQA). TCET has been awarded in the category of "Excellent Performing & Innovative Engineering Institute in Maharashtra" at the National Maharashtra Education Summit & Awards 2016, jointly organized by the University of Mumbai & CMAI Association of India. TCET is a member of the National Entrepreneurship Network (NEN), Confederation of Indian Industry (CII) and Maharashtra Economic Development Corporation (MEDC) for active industry-institute interaction where TCET has been felicitated by CII-Education Excellence Forum for enhancing Industry Connect, Employability and Faculty Competency. For more details, one can visit college Website: www.tcetmumbai.in

MULTICON-W 2024

Thakur College of Engineering and Technology (TCET) is celebrating its 22nd year of foundation with MULTICON-W 2024. MULTICON-W is an initiative of Thakur College of Engineering and Technology (TCET). This platform is created with the objective of inculcating the Research culture in the Higher and Technical Educational Institutes, where UG and PG programs are evaluated by the accrediting bodies like NBA and NAAC in which research contribution is the major parameter to evaluate the R&D activities.

The Institute thus develops the research temperament and research paper writing skills of its stake holders through various platforms. Thus research ethics should also be taught to create an awareness among all its stake holders, which make an impact on the overall development of new projects. The conventional curriculum has a different expectation of assimilating the information and reproducing it in examination, whereas the developments in this new era require a multidisciplinary approach to meet the untapped requirements. Therefore, it is necessary to create a platform for showcasing the research activities of students and teachers to strengthen the curiosity and creativity.

Keeping this in mind, TCET has created a platform of multiple conferences and workshops known as MULTICON-W. The journey of MULTICON-W started with the first edition of International Conference & Workshop on Emerging Trends in Technology from 2010 to 2012. Later in 2013, TCET has started inducting the conferences in almost every domain of Engineering and Technology making it an annual event and changed the name to MULTICON-W. In each successive year, there is a new induction in these conferences in the form of association with publication houses or domain specific conferences.

Considering the consistent success of the event, Multicon-W 2024, the fifteenth event in a row will be organized on 23rd & 24th February 2024. The event will comprise of five conferences and two workshops with multiple tracks. Around 5000 participants and delegates are expected to attend the two days program. While, till date, conferences at TCET focused on research papers based on original research work. Through the current conferences, we will diversify the scope to include papers based on experiential learning and organizational & professional practices. In the conferences, one can prepare research papers and depending upon the novelty and quality of the content, the papers will be published in the Multicon Proceedings with an ISBN number and reputed journal.

CAET - 2024

6) Engineering Workshop & Paper Presentation Contest - 2024
Convenor: Mr. Rohit Kumar Singh   Mob. No.: 9594031523
Joint Convenor : Mr. Yogesh Bhalekar
Co-Convenors: Dr. Neha Mishra, Mr. Vishal Tendulkar

EWPPC 2024

7) Industry Oriented Technology Workshop - 2024
Convenor: Dr. Zahir Aalam   Mob. No.: 9324284586
Co-Convenor: Ms. Rupali Mane

IOTW 2024

IMPORTANT EXTENDED DATES

Paper Submission Deadline	: 25/01/2024	Paper Selection Notification	: 01/02/2024
Registration Deadline	: 10/02/2024	Camera Ready Submission Deadline	: 15/02/2024

CONFERENCE PARTICIPATION GUIDELINES

Call for Papers

Authors can submit papers based on original quality work in various domains as given in paper categories. Authors can be Faculty, Researchers, Professionals, Scientists, PhD, PG scholars and UG students from the stream related to conference themes, may be in collaboration with other institutions. Papers may be submitted as an individual or in group from same institution or with the group from different institutions and also from industry.

If your research paper contains Table, Graphs, Images, Diagrams, etc. a separate A4 size file must be supplied in the online submission process.

Format Recommended for Writing Paper

Page size: A4 Size	Standard: IEEE format
Refer respective Conference	Paper Submission Category: FLP (6 pages), SLP (4 pages), Poster Paper (1page to be converted to poster)

In case paper is selected for journal publication then author need to resubmit in a specified Format. For more details refer **www.multiconw.co.in** Professional and Personal guidance can also be offered by our well trained faculty members for content creation. For content creation guidelines, one can also refer our website: **www.tcetmumbai.in**

Quality Research Paper — CALL FOR PAPERS

Publication

1. Selected papers will be published in the proceeding with ISBN.
2. Quality FLP may be short-listed with modified content for online digital publication or hard copy form as mentioned in the conference brochure. Additional charges will be applicable @500/- per page if the number of pages in the research paper exceeds the limit.
3. Authors of selected papers, if not registered, the paper will not be published in any of the conference publication.
4. In case of any additional certificate required then delegate has to pay Rs.250 for hard copy.
5. For affiliation & other details, please visit the conference website.
6. Online presentation through Webex, Zoom, Google meet video conferencing will be arranged on request

Registration Fee

Events	Registration Fees
Only Conference	₹ 4000
Only Workshop	₹ 2000
Both Conference & Workshop	₹ 5000
Foreign Delegates	$ 100

*Online presentations on request

Registration Link

Consent Link : https://forms.gle/es9jK5kyfHswxa4s7
Conference Website: www.multiconw.co.in

Accommodation:

Charges: Hotel tarrif: Rs. 3000/- person per day (Tentative & Approx)
Accommodation will be given on the shared basis.
More information about Accommodation. visit our conference website.

Contact Person : Dr. Anil Vasoya : Mob.: +91 9757065431 / **Mr. Vikas Singh : Mob.:** +91-9930039175

Highlights

- Active Interaction and Networking
- Promoting research through overall knowledge sharing
- Project Exhibition
- Understanding Trends and Techniques
- Invited Talks
- An opportunity for Multi Level Platforms
- Partnership & Collaboration

Paper Categories

- Research Paper UG
- Research Paper PG/Ph.D.
- Research Paper Faculty & Industry
- Poster Paper
- Project / Design Based Paper
- Best & Innovative Practices Paper

Multicon-W 2024 Events

1. Preconference Talk
2. Multiple Conferences
3. Colloquium
4. Preconference Workshop
5. In-house Workshop
6. Industry Oriented Technology Workshop
